CERTIFICATE OF RECOGNITION

PRESENTED TO:

Squishy Robotics

IN HONOR OF BEING A FINALIST FOR THE 2022 EAST BAY INNOVATION AWARDS

On behalf of Senate District 9, I congratulate you on being an Engineering and Design Finalist for the 2022 East Bay Innovation Awards! You built on cutting-edge research to create a probe with the capacity to save lives. By designing with costs, versatility, and durability in mind, you are helping industries from healthcare to disaster response, to commercial provide a higher level of service than imaginable before. I commend you for your commitment to innovation and inclusion and wish you the best in your future endeavors.

SENATOR NANCY SKINNER
Ninth Senate District
