

# Privacy Policy

*Last updated: April 17, 2024*

This Privacy Policy outlines the policies and practices of Squishy Robotics, Inc. (the Company) regarding the collection and use of personal data. This document also outlines the policies and practices of the Company regarding the use of product platform performance data.

## Mailing-Related Data

### Data Collection

Squishy Robotics collects data that is voluntarily submitted, for example, when signing up for our newsletter or when contacting us with questions about our products and their costs. Personally identifiable information (PII) may include Name, Postal Address, Email Address, Company Name, and Phone Number. Squishy Robotics takes reasonable steps to ensure that such personal data is reliable for its intended use, accurate, complete, and current.

### Voluntarily Submitted Data Use

Squishy Robotics uses this data for:

- Newsletters and publicity related to the company
- Interaction with email messages
- Inquiry responses

Squishy Robotics does not use this data for purposes that are materially incompatible with the purposes for which it was originally collected or subsequently authorized by the individuals.

Depending on the circumstances, examples of compatible processing purposes may include those that reasonably serve customer relations, compliance and legal consideration, auditing, security, fraud prevention, preserving or defending the organization's legal rights or other purpose consistent with the expectations of a reasonable person given the context of the collection.

## Individuals Who Visit the Company Website

By visiting the Squishy Robotics website, you consent to the collection, processing, and storage of your personal information as described in this Privacy Policy.

## Website Visitors Data Collection

The website collects the following information automatically:

- IP (internet protocol) address of the device that accesses the site
- Information collected through cookies and similar technology

## Website Visitors' Data Use

Data may also be collected concerning your use of the website, such as where you visited from, pages visited, or links clicked; such data may be used for analytics purposes.

## Data Collected by Product Platform(s)

The Squishy Robotics sensor robot platform is capable of capturing performance data. Customers may choose to log and save performance data for a configured/programmed robot to a physical micro SD card housed within the robot payload.

Such logged performance data is not automatically available to Squishy Robotics. Should this data be required for support purposes, a customer must directly send/share/provide access to the data. Squishy Robotics uses such shared data only for support and troubleshooting purposes.

## Third Parties

Squishy Robotics does not disclose personal information to third parties for purposes that are materially different from the purposes for which it was originally collected.

## Individual Rights

Individuals have a right to access their personal data. All individuals can contact us directly to access their data by emailing [info@squishy-robotics.com](mailto:info@squishy-robotics.com).

Individuals can email Squishy Robotics with questions / comments regarding information correction, amendment, deletion, and limiting use and disclosure at [info@squishy-robotics.com](mailto:info@squishy-robotics.com).

## Dispute Resolution

Squishy Robotics commits to resolve complaints about your privacy and our collection or use of your personal information.

## Sensitive Data

Squishy Robotics does not collect Sensitive Data from its customers.

## Regulatory

Squishy Robotics can disclose personal information in response to lawful requests by public authorities, including to meet national security or law enforcement requirements.

## Data Integrity & Security

Squishy Robotics uses reasonable efforts to maintain the accuracy of *PII* and to keep it updated as required. Squishy Robotics has implemented physical and technical measures to protect customer/website visitor data from misuse, loss, and unauthorized access. Even with these precautions, no data security safeguards guarantee 100% security all the time.

Similarly, Squishy Robotics has implemented physical and technical measures to protect customer-supplied performance data (i.e., data captured via micro SD cards) from misuse, loss, and unauthorized access. Even with these precautions, no data security safeguards guarantee 100% security all the time.

## Policy Updates

Squishy Robotics may update its Privacy Policy from time to time. If the policy is changed in a material way, a notice will be posted on our website along with the updated Privacy Policy.

## Contact for Further Information

Questions or comments regarding this Policy should be submitted to Squishy Robotics at: [info@squishy-robotics.com](mailto:info@squishy-robotics.com).
